Messenger's London Cordial Gin
A PERFECTLY PURE TONIC AND INVIGORATING CORDIAL.THIS medicinal beverage is manufactured in London under the rigorous *epidemiology* of the Excise Police, in accordance with the Excise laws of Great Britain, (which punishes the adulteration of any article designed for food or drink,) from the finest of barley, imported with the choicest tonics of the *Materia Medica*. It has been submitted to the severest chemical tests, and acknowledged to be free from any deleterious ingredients, and recommended as a perfectly pure stimulant and beverage by Dr. A. Hayes, State Assayer, of Mass., Dr. Chilton, the celebrated Chemist, Professor Hale, of London, Drs. Castle, Turner, Whitney, Buckley, Adams, and Richard, and several hundred physicians in every part of the United States, who constantly prescribe it in their practice for kidney and gravel complaints, dyspepsia, gout, rheumatism, general debility and debility. Wherever the water is bad or unwholesome—in low or swampy ground, or feverish and aza districts, this article will be found a positive cure and permanent preventive. It is put up in quart and pint bottles at fifty cents and \$1 each, with the words "R. E. Messenger & Co's London Cordial Gin" blown in the glass, neatly labelled and enveloped. The labels are copyrighted in New York. R. E. MESSENGER & CO., Importers, 58 Fulton St., New York.

CAUTION.—In purchasing, be sure that it is absolutely "MESSINGER'S," as several New York and Chicago spirit-mixers are misleading the public with a con-erit, which they represent as their own importation. Every bottle of real London Cordial Gin is imported by us, and bears the signature of R. E. MESSENGER & CO.

Sold to the trade by C. H. Backwith, W. George, Merrill & Hawley, and L. Reed, Chicago, and retailed by all druggists and grocers.
